

A Trusted Partner Shines Light on Boomerang. How His Business Grew. Boomerang carnets® 35th Anniversary Celebration pays tribute to a long-term relationship that, over the years, has become one of our most valued and trusted partners. We spotlight Brad Watson of Airways Freight who has been associated with Boomerang since the early 1990's. The growth of Airways Freight as a company is explicitly linked to Boomerang, and we appreciate our friendly association of over 30 years. [Read more.](#)

The Boomerang Benefit is designed to help grow businesses globally. Boomerang carnets® presented a webinar as part of U.S. Commercial Service Export Week on May 3rd. The participants represented a wide spectrum of sectors: Logistics, Service Providers (attorneys, compliance consultants, freight forwarders, economic development organizations), Transportation, Aerospace, Defense, Manufacturing, Information & Communication Technology, Healthcare, Energy, Food & Agriculture and Mining. [Read more.](#)

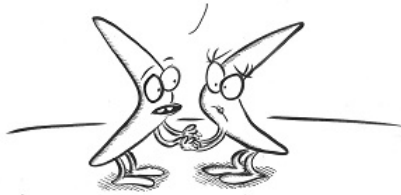

ATA Carnets “help open doors to other markets”. Boomerang carnets® presented ATA Carnets - How to Save Money and Simplify your Temporary Exports and Imports, a webinar for the Alabama International Trade Center (AITC) held on April 5th. Carolyn Turner, Senior International Trade Specialist with AITC, moderated the event. Presenters were Kiel Ursin, Carnet Specialist with boomerang carnets and Brendan Boles, Senior Director, International Operations at SOS Global Express. [Read more.](#)

Important Information for CFOs Explained in Brief Recorded Webinar. [Watch here.](#)
Boomerang carnets® recently hosted a 30-minute webinar, “CFO Exclusive – Unique International Trade Tool Eliminates Overseas Deposits.” It was developed exclusively for CFOs on the financial management potential and cost saving features of the ATA Carnet or “Merchandise Passport.” [Read our blog.](#)

COMEDY CORNER

IT CAN'T WORK BETWEEN
US, SARAH. I HAVE TO GO
BACK TO WHERE I CAME
FROM, AND SO DO YOU.
